Recipe

Mushroom Risotto

PAIRED BEST WITH: Red Wine

INGREDIENTS	DIRECTIONS
5 cups chicken stock	1. In a saucepan, bring the chicken stock to a simmer. Reduce heat and keep warm.
2 tablespoons extra virgin olive oil	2. In a small saucepan, heat the olive oil. Add onion, season with salt and pepper, and cook over moderate heat, until onion is transparent. Add rice and cook for 3 minutes. Add wine and 1 cup of warm stock. Then, cook over moderate heat, stirring constantly, until liquid is absorbed. Continue adding the stock, stirring constantly, until it is nearly absorbed. The risotto is done when the rice is al dente and forms a thick, creamy sauce, about 20 minutes total. Season with salt and pepper.
1 medium onion	
1½ cups brown rice	
½ cup red wine	
2 tablespoons butter	
1 pound oyster mushrooms	
1 shallot, minced	3. In a large skillet, melt the butter, and add the mushrooms and shallots. Season with salt and pepper and cook over moderately high heat, stirring occasionally, until softened and browned, about 10 minutes. Transfer the mushrooms to the risotto and stir in the cheese and parsley. Cook over low heat for 5 minutes.
½ cup Parmigiano-Reggiano	
1 tablespoon parsley

5 cups chicken stock	1. In a saucepan, bring the chicken stock to a simmer. Reduce heat and keep warm.
2 tablespoons extra virgin olive oil	2. In a small saucepan, heat the olive oil. Add onion, season with salt and pepper, and cook over moderate heat, until onion is transparent. Add rice and cook for 3 minutes. Add wine and 1 cup of warm stock. Then, cook over moderate heat, stirring constantly, until liquid is absorbed. Continue adding the stock, stirring constantly, until it is nearly absorbed. The risotto is done when the rice is al dente and forms a thick, creamy sauce, about 20 minutes total. Season with salt and pepper.
1 medium onion	
1½ cups brown rice	
½ cup red wine	
2 tablespoons butter	
1 pound oyster mushrooms	
1 shallot, minced	3. In a large skillet, melt the butter, and add the mushrooms and shallots. Season with salt and pepper and cook over moderately high heat, stirring occasionally, until softened and browned, about 10 minutes. Transfer the mushrooms to the risotto and stir in the cheese and parsley. Cook over low heat for 5 minutes.
½ cup Parmigiano-Reggiano	
1 tablespoon parsley
